FCI-CU

1. Background

Massive open online courses (**MOOCs**) are online courses aimed at unlimited participation and open access via the web

2. Problem definition

Most MOOC providers tends to deploy their solutions as business applications that are focused on profit from subscription or affiliate marketing. Other providers may lack learner interaction and/or focus on specific field.

3. Suggested Solution

Our unified learning platform is a software application for administration, documentation, tracking, reporting and delivery of courses and training programs using the most advanced development technologies.

4. List of Accomplished Tasks

Task	Description	Completion	Time
1- Component 1	Design Schema Sign up Sign in	Accomplished	**10 days**
2- Component 2	Course Content Chapter CRUD	Accomplished	**10 days**
3- Component 3	Announcements Chapter Content	Accomplished	**11 days**
4- Component 4	Assignments	Accomplished	**11 days**
5- Component 5	Related Courses User Interests, Journal	Accomplished	**9 days**
